HINTS & TIPS
Polymatte™

WONDERFIL®
SPECIALTY THREADS

ABOUT
Polymatte™ is a 40wt polyester with a satin matte finish and excellent strength, dyed and finished to withstand mild bleaching. It is available in 210 exceptionally rich, higly saturated colors in 4572m (5000yd) longarm cones and 1000m (1094yd) spools.

APPLICATIONS
Use Polymatte™ in sewing machines, embroidery machines, quilting machines, and for high speed sewing, machine embroidery, and any decorative purpose.
