

ABOUT

Ahrora™ is a glow in the dark thread activated by natural or artificial light. This thread glows for approx. 5 hours and requires 2 hours to charge in the sunlight. We highly recommend black lights (UV bulbs), which are a great way to recharge this thread.

Available 8 solid colours in 183m (200yd) spools.

APPLICATIONS

Ideal for domestic decorative stitches, embroidery, quilting, costuming and crafts.

SEWING:

A dense fill stitch or triple stitch is recommended.

RECOMMENDED NEEDLE SIZES

Machine:

- 80/12 topstitch
- 80/12 nonstick
- 90/14 quilting
- Longarm 16

Hand:

- Assorted embroidery
-

THREAD

40wt - Glow in the Dark
100% Polyester
