

HINTS & TIPS

D-Twist™

WONDERFUL™
SPECIALTY THREADS

ABOUT

D-Twist™ is a 2-ply rayon thread made of two 40wt threads twisted together into a 20wt thread in coordinating colours. This unique thread creates a 3-D effect and is an excellent choice when you want to add texture or dimension to your project. It is available in 24 colors in 500m (547yd) spools.

APPLICATIONS

Use D-Twist™ in sewing machines and embroidery machines for machine embroidery, quilting built-in decorative stitches, thread painting, serger loops.

SPOOL POSITION:

For optimum results, use of a Thread Tamer™ and Wonder Guard™ is strongly recommended.

STITCH LENGTH:

May need to lengthen and widen decorative stitches to accommodate the thicker thread.

THREAD

Two 40wt threads are twisted together to make this 20wt thread.

Finish: sheen
