

ABOUT

Spotlite™ is a 40wt rayon-based metallic thread that is smooth running and soft to the touch. It runs at up to 1000 spm with domestic machines and is available in 40 colors (including some variegated) in 1000m (1093yd) spools and 150m (164yd) cones.

APPLICATIONS

Use Spotlite™ for machine embroidery, decorative stitching, quilting, thread painting, and any decorative purposes, and in sewing machines, embroidery machines, quilting machines.

SEWING:

Loosen the top tension and sew at a moderate speed. On some machines, skipping the last thread guide before the needle helps to prevent shredding.

THREAD

40wt rayon based metallic is soft and less prone to shedding.
